

# July 26 @ 6pm-7pm

Hanco Station 1

## Non-Fatal Strangulation 101

- ❖ Learn the differences between venous and arterial occlusions and the signs and symptoms of each.
- ❖ Understand the difference between asphyxiation vs strangulation and each of their effects.
- ❖ Discuss the lethality of each and learn how to determine a lethality level based on a series of questions.
- ❖ Increase the knowledge and understanding of professions working with victims of domestic violence and sexual assault who are strangled.
- ❖ Increase offender accountability.
- ❖ Enhance victim safety.
- ❖ What do we do well and what can we do better?
